

CONTRACTOR-SUPPLIER BOOTCAMP

CHETWYND | TUESDAY, NOVEMBER 3RD, 2015

HOW LOCAL BUSINESS CAN ACCESS THE MAJOR PROJECTS SUPPLY CHAIN

Background:

Among the many proposed major industrial projects planned throughout B.C., including the potential \$50 billion investment in LNG (liquefied natural gas) projects, there exists a significant opportunity for economic development and job creation. Millions of dollars of goods and services are needed to support these projects. Local contractors and suppliers can take advantage of this economic boom. Is your business ready?

You Should Attend if:

- You are a business owner who is interested in learning about the proposed major, including LNG projects.
- You want to know about the procurement process for major projects.
- You want to know what supplies and services will be needed.
- You want to know how your business can take advantage of these major projects and become part of the local supply chain of commercial goods and services.
- You want to find out who can help you get prepared.
