

Business Façade Improvement Application Guide

Program Overview

The Business Façade Improvement program provides annual grant funding for local governments. Annual funding of up to \$20,000 is available to each local government to enhance economic development by encouraging private sector investment in businesses façade improvements. Local governments applying to the program are required to develop and submit their business façade improvement plan/guidelines, which will give direction to local business owners on the eligibility criteria to obtain the business façade improvement grant

Features and benefits of the program:

- Enhanced economic viability and vibrancy of northern and central B.C. communities by supporting visual improvements such as facades, signage, murals, architectural features, siding, lighting and awnings
- Private sector investment in local business improvement
- Increased assessed values and tax base as a result of improved properties
- Attractiveness of community to enhance community pride as well as tourism experience
- Improved community appearance to support recruitment of new businesses and/or residents
