

Grant Writing Support Application Guide

Program Overview

The Grant Writing Support program provides annual grant funding to support a grant writing position in a local government or First Nation band within the Trust's service region. The grant writer supports communities by preparing funding applications to agencies, foundations and government programs in order to access more funding dollars to support crucial economic development projects and initiatives throughout the region. Additionally, the grant writer provides additional capacity to support local non-profits with grant application research and writing in order to pursue community funding priorities.
