

Small Business Recovery (SBR) Consulting Rebate Application Guide

Program Overview

In response to the impact the forestry sector downturn and COVID-19 pandemic are having on businesses in central and northern B.C., Northern Development is offering the **Small Business Recovery (SBR) Consulting Rebate** program.

This program is designed to help businesses reduce the barrier to accessing professional expertise and recover the costs of third-party consulting projects. These types of projects must focus on ways to sustain businesses during the current economic downturn.

The **SBR Consulting Rebate** will reimburse small and medium sized businesses (operators) for contracted consulting services. Businesses that are impacted by the economic downturn in Northern Development's service region are eligible to apply. A rebate of up to 85%, to a yearly maximum of \$25,000, can be recovered for the cost of hiring a consultant to assist with business efforts.
