

Main Street Revitalization - Planning

Community development funding program: fact sheet

Total amount available

\$20,000

to a maximum of

50%

of the eligible

project budget

*one-time funding

Program overview

The Main Street Revitalization - Planning program provides local governments with funding to complete downtown revitalization planning.

Eligible project must be led by either a municipality or regional district and result in a community-wide vision for the downtown and an action plan that identifies ways to achieve the vision.

Eligible applicants

- ▶ Local governments
- ▶ Regional districts

Project examples

- ▶ Main Street Revitalization plan (or similar document)

Former programs

The Main Street Revitalization - Planning funding program introduces a new type of project that was previously ineligible for funding through any of Northern Development's retired programs.
