

# Recreation Infrastructure

## Community development funding program: fact sheet

### Total amount available

**\$100,000** to a maximum of

**70%** of the eligible project budget

or

**\$300,000** to a maximum of

**50%** of the eligible project budget

### Eligible applicants

- ▶ Registered First Nations Bands
- ▶ Local government
- ▶ Registered Not-for-Profits
- ▶ Wholly owned First Nation development corporations

### Former programs

Projects that were previously funded through the [Community Halls and Recreation Facilities](#) or [Economic Diversification Infrastructure](#) programs are likely eligible through the Recreation Infrastructure funding program.

### Program overview

The Recreation Infrastructure program supports community efforts to create and support facilities that encourage resident attraction and retention while also increasing opportunities for sport tourism.

This program is set up to support new construction projects or upgrades and repairs to existing facilities.

### Project examples

- ▶ Arenas, gymnasiums and fitness facilities
- ▶ Indoor/outdoor pools
- ▶ Sports fields
- ▶ Ski facilities
- ▶ Marinas and boat launches
- ▶ Campgrounds
- ▶ Backcountry trail networks and shelters
