** The appropriate government agency for a resolution of support should be determined based on the location of the project (i.e. a project occurring within a First Nations community must receive a resolution of support from the respective First Nation, regardless of who the project proponent is; likewise, a project occurring in a municipal boundary must receive a resolution of support from the local government or regional district).

* Depending on project size, up to \$100,000 in grant funding to a maximum of 70% of the eligible project budget or up to \$300,000 to a maximum of 50% of the eligible project budget may be applied for.

[^] Up to \$10,000 of the maximum grant amount is available as a housing allowance to interns.

+ The sole purpose of non-profit organizations who are applying to the Northern Industries Innovation Fund must be to create jobs and economic benefits in the specified industrial sectors.
