

# CONNECTING BRITISH COLUMBIA PROGRAM

## Economic Recovery Intake

**Adobe Reader 8.0+ is required to complete this application form.**

If you are using an earlier version, you will not be able to save any information you enter into the form.

Adobe Reader is a free download available at: <http://www.adobe.com/products/acrobat/readstep2.html>

**✦ Please ensure documents are downloaded and saved to your computer desktop prior to entering any information. If opened and completed within your internet browser, any information entered will not be saved.**

### General Information:

- Before completing a pre-screen application, please read the [Economic Recovery Intake Application Guide](#).
- You are not required to submit a new pre-screen, if you have completed and successfully passed a pre-screen within a previous intake.
- In order to ensure that applicants meet the minimum criteria for the Connecting British Columbia program (“Program”), applicants are required to submit a pre-screen application that will be reviewed by Program staff.
- Upon review, additional information may be required from the applicant.
- Pre-screens will be evaluated within 10 business days.
  - \*Note: Passing the pre-screening does not guarantee that an application will be approved for funding.
- Applicants that pass the pre-screen will be invited to submit a full application for the type of technology listed in this pre-screen.
  - \*Note: Applicants can apply for multiple project streams and technology types but must demonstrate the required qualifications for each.
