

Northern Healthy Communities Fund Capacity Building Application Guide

To fund initiatives that support healthy, sustainable and resilient communities facing significant economic growth related to LNG development in Northern B.C.

Supported by the Province of British Columbia

Program Overview

The objective of the Northern Healthy Communities Fund (NHCF) is to fund initiatives that support healthy, sustainable and resilient communities facing rapid and large-scale economic development and associated need for enhanced social service readiness. Given the immediacy of the current economic development activities, the NHCF is focusing on communities adjacent to the LNG Canada and Coastal GasLink projects.

The NHCF Capacity Building Program provides grant funding to local governments and Indigenous Nations that are adjacent to the projects and not-for-profits that provide services within those communities and can be used for incremental staffing, education, outreach, public engagement, program development and delivery costs that assist those communities in delivering services in order to adjust to expected economic growth.

The NHCF represents a partnership between the Province of B.C.'s Ministry of Municipal Affairs, which has laid out the objective and provided the funding to support the fund, and Northern Development, which is administering the program on behalf of the Province.

Funding Terms and Sources

- Up to **\$100,000** grant to a maximum of **90%** of the eligible project budget
 - The remainder is required to be funded through other contributions that are directly related to the activities in the application (see *Eligible Contributions from Applicants*)

Eligible Contributions from Applicants

Recipients are required to provide a minimum of 10% of the eligible project budget from other contributions that can come from a number of sources including:

- cash contribution from applicant (including line of credit or loan)
- cash contribution from third-party
- contributions from other grants, except from Provincially funded grant programs
 - all other grant contributions must be declared
- in-kind (volunteer) labour contributions (see Other Eligible Costs)
- monetized donations (donated materials, equipment, or services from third parties)

Application Intake Deadlines

Application intake deadlines and details are publicly posted on the [Northern Development website](#).

In fairness to all grant applicants, applications that are received after the deadline will be moved to the next funding intake.

Eligible Projects

The Capacity Building Program is designed to be broad in nature, allowing flexibility for communities to submit applications for projects that help respond to the changes resulting from economic growth from the LNG Canada or Coastal GasLink projects.

Projects must fit within the following categories:

- Housing and wraparound services (e.g. services that are included as part of a housing project to support residents)
- Health support services and addiction counseling
- Emergency services
- Victim services, violence against women prevention or support services, Indigenous peoples support services for on and off-reserve members
- Childcare
- Small business recruitment, retention and resiliency
- Local and Indigenous Nation government capacity and support

Although there is a variety of project types that would be eligible for funding, some examples include but are not limited to:

- Hiring of additional staff and/or program delivery, or other incremental services
- Expansion of service delivery areas
- Expansion of service hours/days

Projects must be incremental to the applicant's core responsibilities, obligations, and day to day operations. Projects and/or project activities that would displace government funding for core services or existing funding for projects are not eligible for funding under the HNCF.

Eligible Costs

Northern Development retains discretion over which projects and costs will be considered eligible and ineligible.

- Staff or contract wages for incremental position
- Mandatory employment related costs: CPP, EI, vacation pay (*if days not provided*)
- External printing costs
- Materials (*required for an incremental program*)
- Meeting room/AV rental
- Incremental third-party project management
- Incremental office space
- Cost of travel which is deemed necessary to the performance of the project. Travel expenses, at economy rates, shall be charged at actual costs. To be eligible, travel costs must clearly document the purpose of each trip and be considered reasonable by the Program
- PST

Other Eligible Costs (In-Kind Volunteer Labour, and/or Monetized Donations)

Northern Development retains discretion over which projects and costs will be considered eligible and ineligible.

- In-kind (volunteer) labour contributions, and/or monetized donations (donated materials, equipment, or services from third-parties) may be considered
 - *When noting in-kind (volunteer) labour contributions in the budget and under other funding sources in the application form, applicants must attach a breakdown of the calculation used for the in-kind amount. For valuing volunteer labour as an in-kind contribution to the project, the following rates are eligible:*
 - *\$15/hour for volunteer labour*
 - *\$30/hour for volunteer skilled labour (trades requiring specialized ability or training)*
 - *In-kind (volunteer) labour contributions must be documented once projects commence (volunteer time logs for labour with name, date, and hours) in order to verify volunteer contributions*
 - *When noting monetized donations in the budget and under other funding sources in the application form, applicants must attach confirmation of the committed donation(s)*
 - *Monetized donations must be documented once projects commence and receipts must be obtained*

Ineligibility

Ineligible Costs

Northern Development retains discretion over which projects and costs will be considered eligible and ineligible.

- GST
- Costs incurred (*work started and/or deposits paid*) prior to signing an agreement with Northern Development
- Positions already existing within the organization
- WCB, other benefits (*such as extended health or pension*), bonuses, or allowances (*such as vehicle, phone or living expenses*)
- Costs related to recruiting, hiring, relocating or terminating
- Legal or insurance costs
- Food/beverage
- Existing operational costs (*rent, hydro, heat etc.*)

Application and Program Requirements

Only applications that meet these requirements will be processed.

All applicants are required to confirm the following information.

Key Deliverables

- Applicants are required to track key deliverables during the project and will be required to report on these outcomes at project completion. Applicants **MUST** identify a minimum of three (3) deliverables that will be used to determine and measure if the project has been successful in meeting the goals and objectives. This includes two mandatory key deliverables:
 - Additional people the project will support/serve (number and qualitative description)
 - Communities the project will serve with additional capacity (number and qualitative description)
- At least one other key deliverable may include:
 - Additional programs offered by the applicant (number and qualitative description)
 - Additional key deliverable(s) identified (number and qualitative description)

Attachments

All applicants are required to submit the following documents.

- Complete [Application Form](#)
- Detailed project budget using Northern Development's [Project Budget Template](#) (*required; in excel format*)
- Detailed quotes (*if quote cannot be obtained, a detailed breakdown is required*)
- Verification of approval from other funding sources (*e.g. approval letter or contract; required prior to approval*)
- Resolution of support from the appropriate local government or Indigenous Nation
 - The appropriate government agency is determined based on the location of the project. E.g.:
 - A project within an Indigenous Nations community/reserve requires a band resolution of support
 - A project within a municipal boundary requires a resolution of support from the Municipal Council
 - A project outside a municipal boundary that is not within an Indigenous Nations community requires a resolution of support from the Regional District Board
 - Sample Resolution: *THAT, the (insert appropriate government name) supports the application to Northern Development Initiative Trust from the (insert applicant organization name) for the (insert project name).*
- If applicable: Society certificate of incorporation (*required for not-for-profit applicants*)
- If applicable: Copy of job description and work plan
- If applicable: Letter(s) of support
- If applicable: Other relevant supplemental documentation

Application Assessment

Northern Development staff undertake comprehensive due diligence reviews of each funding application received, which may include contacting relevant agencies and organizations as part of the review process.

All projects are assessed on the strength of the application, key deliverables, requested funding percentage, applicant contribution, and additional questions identified in the funding application package.

Each application will be assessed on the following:

- The extent of Northern Development's financial contribution to the eligible project budget
- The extent of the applicant's financial contribution to the eligible project budget
- Is this the first time the applicant has accessed Northern Development funding for this service or program (under this program)?
- Has the applicant been successful in achieving the deliverables from their most recent project with NDIT (under this program)?
- Has the applicant provided quote(s) supporting the entire project budget?
- Is the applicant making a non-financial contribution to the project (in-kind volunteer labour)?
- Will the project take place in a community with a population of 1,000 or less?
- Will the project take place in a community with a population between 1,001 to 5,000?
- Has the applicant provided evidence of broad-based support from multiple stakeholders?
- Will the project meet an imminent need and have a positive impact on the community?
- Has the applicant identified how the project supports healthy, sustainable, and resilient communities facing rapid and large-scale economic development and growth from LNG development and associated need for social services?

Reporting

Once the agreement is signed, the applicant may request advance funding up to 75% of the amount approved for the project. A formal advance request letter on the applicant's letterhead must be submitted stating the amount requested. The remainder of the funding will be held until the project is completed and final reporting is submitted and approved by Northern Development.

If a successful applicant does not request an advance, project costs will be reimbursed up to the maximum amount approved once the project is completed and final reporting is submitted and approved by Northern Development.

Projects must be evaluated and verified following the completion of the project prior to disbursing funding. A project is considered complete when a written report on the project has been completed, the position has ended (if applicable), and/or all related expenses have been invoiced, and entered in the applicant's accounting software. The [Reporting Form](#) and [Actual Project Expenses Template](#) must be completed.

To Apply

Please review all program documents in detail as incomplete applications will not be reviewed.
