

Competitiveness Consulting Rebate Application Guide

Program Overview

The **Competitiveness Consulting Rebate** program provides a rebate to small and medium sized businesses in eligible industries for customized consulting services.

A rebate of up to 50% to a yearly maximum of \$30,000 can be recovered for the cost of external business consulting projects. Projects must focus on increased resiliency, productivity, revenues, profitability and/or job creation.

Funding Terms

Northern Development provides a rebate under this program to eligible businesses to a maximum of 50% up to \$30,000 annually toward eligible costs (annual grant maximum applies to any combination of both the CCR and SBR program).

- Projects must have a minimum budget of \$2,000
- The applicant must contribute a minimum 25% of the eligible project budget
- If an applicant is approved for a project which is less than the annual maximum of \$30,000 and a second consulting project is being proposed, the first project must be completed, and reporting submitted prior to any subsequent project being approved
- Applicants must apply and receive notification of approval prior to beginning the project
- Projects must be completed as approved to receive funding and any change in the project scope must be communicated to Northern Development. Incomplete or partially completed projects may not be eligible for funding

Application Intake Deadlines

Northern Development will accept Competitiveness Consulting Rebate applications on a continuous basis until the annual budget is committed. Northern Development's fiscal year is January to December.

The [Competitiveness Consulting Rebate Application Form](#) is available by contacting Northern Development.

Applications are reviewed as received for eligibility and completeness. A decision is made within one week of receipt of a completed application, consultant proposal and additional supporting information as requested.
