

BC Hydro Peace Agricultural Compensation Fund

Supporting the Peace Region's opportunity for agricultural production and agrifoods economic activity

Farming Infrastructure

Application Guide

Program Overview

The BC Hydro Peace Agricultural Compensation Fund was established to provide support to Peace Region agricultural producers, industry associations and other eligible non-profits to support the region's opportunity for agricultural production and agrifoods economic activity. The fund is governed by a board of directors that broadly represent the agriculture industry in the Peace Region, administered by Northern Development Initiative Trust and overseen by BC Hydro.

The fund is managed as a sustainable endowment, which means only a portion of the total endowment's funds will be made available for grant programs each year to ensure the fund is managed in perpetuity for the benefit of the Peace Region.

Features and benefits of the fund:

- Supports a broad range of organizations whose work directly benefits agriculture in the Peace Region
- Flexible project eligibility guidelines to reflect the complex and diverse needs of the agriculture sector in the Peace Region
- Regional decision-making leverages local knowledge and the best information available to acknowledge the Peace Region's agricultural strengths, needs, challenges and opportunities
- An efficient approval process for complete and well documented applications

Funding Terms

- Up to **\$50,000** grant to a maximum of **50%** of the eligible project budget
 - *Key producer association applicants are not limited to \$50,000.*
- Please note that applicants cannot re-apply for funding until their previous project is complete, reporting submitted, and fully paid by Northern Development (unless the applicant is a key producer association, i.e. BC Cattlemen's Association, BC Grain Producers Association, etc.)

This program has an annual limit of:

- \$100,000 for water projects
- \$100,000 for fencing projects

Applicants are required to financially contribute 10% of the eligible project budget.

Application Intake Deadlines

Application intake deadlines and details are publicly posted on the [Northern Development website](#).

Eligibility

Eligible Applicants

Review Process

Northern Development will review the application to ensure completeness, eligibility and fund availability. Northern Development may contact the applicant if any questions arise from the applications to provide clarity to the decision-making committee.

Applications that meet eligibility requirements will be provided to the BC Hydro Agricultural Compensation Fund board for final review and funding approval decision.

Successful applicants will receive an approval letter and instructions to contact Northern Development staff to enter into a contribution agreement. Unsuccessful applicants will also receive written notification and information on future intakes.

Reporting

Once the agreement is signed, the applicant may request advance funding up to 90% of the amount approved for the project using the [Advance Request Form](#). The remainder of the funding will be held until the project is completed and final reporting is submitted and approved by Northern Development.

If a successful applicant does not request an advance, project costs will be reimbursed up to the maximum amount approved once the project is completed and final reporting is submitted and approved by Northern Development.

The [Reporting Form](#) and [Actual Project Expenses Template](#) must be completed.

To Apply

Please review all program documents in detail as incomplete applications will not be reviewed by the board.

Completed application forms with all supplementary materials should be provided electronically to Northern Development by email info@northerndevelopment.bc.ca.
